7 WARREN N. LIEBERFARB,

8 Plaintiff,

9 v.

10 MOD SYSTEMS INCORPORATED,

11 Defendant.

CASE NO. C08-1246-JCC

ORDER

12 This matter comes before the Court on Plaintiff's Motion to Extend Deadline to Amend Pleadings  
13 (Dkt. No. 22). Plaintiff seeks an extension of the deadline to amend his complaint to 60 days after  
14 Defendant has filed an answer to Plaintiff's amended complaint. The Federal Rules of Civil Procedure  
15 provide that the court may extend a pretrial deadline for "good cause." FED. R. CIV. P. 6(b). Plaintiff's  
16 Amended Complaint was filed on September 4, 2008. (Am. Compl. (Dkt. No. 7).) Defendant did not file  
17 its Answer until January 8, 2009 (Ans. (Dkt. No. 24).) Defendant has not filed an opposition to Plaintiff's  
18 request for an extension. Accordingly, the Court finds good cause to EXTEND the deadline for Plaintiff  
19 to amend his complaint to March 9, 2009, which is approximately 60 days after Defendant filed its  
20 Answer. Plaintiff's motion to extend (Dkt. No. 22) is therefore GRANTED.

21 SO ORDERED this 19th day of February, 2009.
